Accessories for zBoost® YX500/510 Series

YX012	Outside Grounding Kit	\$29 ⁹⁹
YX014	J-Pole (for mounting outdoor directional antennas)	\$29 ⁹⁹
YX030 - 0W8	Window Entry Cable (8 inches)	\$4 ⁹⁹
YX030 - 15W	Extender Cable (15 feet)	\$14 ⁹⁹
YX030 - 35W	Extender Cable (RG6, 30 feet)	\$25 ⁹⁹
YX031 - 10W	RG8x 50 Ω Extender Cable for YX050-PCS-CEL and YX024-PCS	\$29 ⁹⁹

Optional Antennas for zBoost® YX510-Dual Band

Indoor Dual Band Directional Antenna
YX027-PCS-CEL

Provides additional inside coverage by boosting signal strength to cover larger living/working areas (9 dBi-PCS/6 dBi-CEL)

Price: \$99

Outdoor Dual Band Antenna
YX029-PCS-CEL

Bi-Directional Amplifier (BDA) System captures and amplifies the cell signal to extend a Cell Zone up to 10,000 square feet (13 dBi-PCS/7 dBi-CEL)

Price: \$149

Indoor Ceiling Mount Omni Antenna
YX050-PCS-CEL

Provides enhanced signal strength in all directions (omni directional) from the antenna (2 dBi-PCS/1 dBi-CEL)

Price: \$79

Optional Antennas for zBoost® YX500-CEL

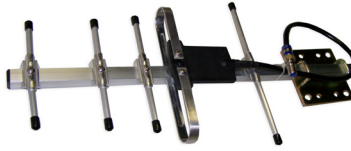

Outdoor Omni Antenna
YX022-CEL

Omni directional antenna provides additional coverage by boosting signal strength to cover larger living/working areas – 25" high (6 dBi)

Price: \$99

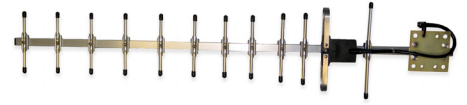

Outdoor Yagi Directional Antenna
YX025-CEL

Yagi directional antenna provides additional coverage by boosting the outside signal strength when pointed in the direction of best signal (7 dBi)

Price: \$69

Outdoor Yagi Directional Antenna
YX026-CEL

Yagi directional antenna provides additional coverage by boosting the outside signal strength when pointed in the direction of best signal (11 dBi)

Price: \$79

Indoor Dual Band Directional Antenna
YX027-PCS-CEL

Provides additional inside coverage by boosting signal strength to cover larger living/working areas (9 dBi-PCS/6 dBi-CEL)

Price: \$99

Indoor Ceiling Mount Omni Antenna
YX050-PCS-CEL

Provides enhanced signal strength in all directions (omni directional) from the antenna (2 dBi-PCS/1 dBi-CEL)

Price: \$79

Optional Antennas for zBoost® YX500-PCS

Outdoor Directional Antenna
YX023-PCS

Provides additional coverage by boosting the outside signal strength when pointed in the direction of best signal (12 dBi)

Price: \$79

Indoor Directional Antenna
YX024-PCS

Provides additional inside coverage by boosting signal strength in the direction it is pointed to cover larger living/working areas (7 dBi)

Price: \$69

Indoor Dual Band Directional Antenna
YX027-PCS-CEL

Provides additional inside coverage by boosting signal strength to cover larger living/working areas (9 dBi-PCS/6 dBi-CEL)

Price: \$99

Indoor Ceiling Mount Omni Antenna
YX050-PCS-CEL

Provides enhanced signal strength in all directions (omni directional) from the antenna (2 dBi-PCS/1 dBi-CEL)

Price: \$79
